BOW MAR PUBLIC WORKS Driveway Permit Application Street Cut/Right of Way Permit Application

Bow Mar Municipal Code, Chapter 11 requires a permit to cut pavement or excavate right-of way materials or construct any means of entrance (i.e. driveways) to the road in the Town of Bow Mar. Chapter 11 also requires a permit for the construction or replacement of driveways. Penalties are provided for violations of this ordinance (Sec. 1-72). All Town Code requirements must be followed including contractor license requirements, working hours allowable, equipment onsite, etc.

NOTE: Incomplete applications may not be considered by the Public Works Department. To ensure your application is considered, complete the entire application and submit all required materials.
